Section B - Advisory Services Offered

Holberg Financial, LLC offers a comprehensive, holistic (general) advisory service that takes into account a client's individual needs. The service offered by Holberg Financial, LLC is called Financial Planning and is described below:

Financial Planning

This service involves working one-on-one with a investment advisor representative at Holberg Financial, LLC over a one year period of time. Clients get ongoing access to Holberg Financial, LLC who will work with them to create a financial plan and continue to support them as their payment permits. Holberg Financial, LLC will provide accountability and recommend any changes to make sure the plan is up to date. Initially, clients will be asked about their vision as it relates to what they wish to accomplish financially. They will be required to provide information to help complete the following areas of analysis: net worth, cash flow, debt, insurance, credit scores/reports, employee benefit, retirement planning and accounts, retirement accounts, insurance, taxes, and investments. A tailored plan will be analyzed and constructed for the client

once information is presented to Holberg Financial, LLC and the client will then be given a report with their personalized strategy and financial plan designed to achieve his or her stated financial goals and objectives. If a follow up meeting is required, we will meet at the client's convenience. The plan and the client's financial situation and goals will be monitored throughout the year and follow up phone calls, video chats, texts, and/or emails will be made to the client to confirm that any agreed upon action steps have been carried out. At the end of the client's year subscription, a full review of their plan will be generated and delivered to the client. If the client will remain a client in year two and beyond, by making the requisite payment, Holberg Financial, LLC will then address any needed updates at that time and report them to the client.

The Financial Planning, will be conducted with an investment advisor representative of Holberg Financial, LLC with the client to cover the relevant areas of the client's financial situation. Some or all of the material below will be covered and this is a comprehensive, but not exhaustive list:

- **Cash Flow and Debt Management:** Holberg Financial, LLC will conduct a review of your income and expenses to determine your current surplus or deficit along with advice on prioritizing how any surplus should be used or how to reduce expenses if they exceed your income. Advice may also be provided on which debts to pay off first based on factors such as the interest rate of the debt and any income tax ramifications. We may also recommend what we believe to be an appropriate emergency savings to address short-term cash needs, along with a review of accounts (such as money market funds) for such reserves, plus strategies to save desired amounts.
- **Employee Benefits Optimization:** We will provide review and analysis as to whether you, as an employee, are taking the maximum advantage possible of your employee benefits.
- **Financial Goals:** We will help clients identify financial goals and develop a plan to reach them. We will identify what you plan to accomplish, what resources you will need to make it happen, how much time you will need to reach the goal, and how much you should budget for your goal.
- **Insurance:** Review of existing policies to ensure proper coverage for life, health, disability, long-term care, liability, home, renters, and automobile.
- **Investment Analysis:** This may involve developing an asset allocation strategy to meet clients' financial goals and risk tolerance, providing information on investment vehicles and strategies, reviewing employee stock options, as well as assisting you in establishing your own investment account at a selected broker/dealer or custodian. The strategies and types of investments we may recommend are further discussed in Item 8 of this brochure.

- Retirement Planning: Our retirement planning services typically include projections of your likelihood of achieving your financial goals, typically focusing on financial independence as the primary objective.
- Tax Planning Strategies: Advice may include ways to minimize current and future income taxes as a part of your overall financial planning picture. We recommend that you consult with a qualified tax professional before initiating any tax planning strategy, and we may provide you with contact information for accountants or attorneys who specialize in this area if you wish to hire someone for such purposes. We will participate in meetings or phone calls between you and your tax professional with your approval.

Section A - Fees and Compensation

Holberg Financial, LLC reserves the right, in its sole discretion, to amend or change its fees for its current services or any additional services that we may offer. Holberg Financial, LLC charges a flat, fixed fee for compensation of advisory services.

Holberg Financial, LLC charges an individual client a flat, fixed fee of \$250 upfront ("Setup Fee") and \$20 per month thereafter until the client cancels the contract, for any reason or Holberg Financial, LLC cancels the contract, for any reason.

This flat, fixed fee is negotiable in its amount and payment periods (for example, a client may negotiate the option to make two installment payments of \$125 in the first two months instead of \$250 for 1 month). The client will be charged \$20 each month on the numbered day based on their upfront payment date (The "Setup Fee" date). Further, for those days that don't have a corresponding day in another month (i.e. the 31st), the client will be charged on the last day of the month.

Further, clients who have already engaged in one full year's worth of service with Holberg Financial, LLC at the full retail price may be eligible to receive a discounted rate in the second year and/or beyond.

In certain instances services may be available to clients at a discounted fee as determined by Holberg Financial, LLC. Services may also be made available to certain clients at no cost or reduced cost through promotional offers with third parties. Clients are not entitled to a refund of their annual fee for any months during which the client continues to utilize the services and did not provide notice of cancellation within that time period. However, Holberg Financial, LLC reserves the right to refund all or a portion of the advisory fee in the event that Holberg Financial, LLC terminates services with the client at any time during the client's service period. Further, any client may submit an electronic request to info@holbergfinancial.com requesting any or all of a refund and Holberg Financial, LLC reserves the right to decide any or all of the amount of the refund.

For the flat, fixed fee, the client will receive:
